Subject: GIS files
Attachments: ATT00001.txt; ATT00002.txt

Good afternoon,

Attached please find a zip file that contains the updated GIS and shape files that coincide with the revised Florence Copper UIC application attachments A-K that were submitted to EPA earlier today. The updates include depiction of the Aquifer Exemption (AE) boundary in all maps and figures that previously included the AE boundary. Figures were updated in attachments A, B, C, D and H.

Let me know if you have any questions, or need any additional information -
Jennifer
